**STIPULATION TO MODIFY CONDITIONS OF RELEASE**

IT IS HEREBY STIPULATED AND AGREED by and between the parties herein that the defendant's conditions of release be modified to delete the travel restriction that he may not leave Guam without the permission of the court and allow him to travel to San Diego, California to complete his discharge from the United States Navy. Furthermore, to allow the defendant to travel to Tennessee, where he will be residing with his mother at 1840 Cardinal dr., Pleasantview, Tenn., 37146. All other conditions will remain in effect.

On December 22, 2005, the defendant appeared before this court and entered a plea of guilty to Importation of Methandrosterone (Anabolic Steroids). Sentencing in this matter is set for April 4, 2006. The court released the defendant under numerous conditions of release. One of those conditions was that he may not leave Guam without the permission of the court.

The defendant is enlisted in the United States Navy. However, as a result of his entry of a plea of guilty in this case, he is being discharged from the United States Navy. The defendant is tentatively scheduled to leave Guam around February 15, 2006. He will be taken to the Naval base in San Diego, California to complete the separation process.

Once the separation process has been completed and he is discharged from the United States Navy, it is his intent to reside with his mother at 1840 Cardinal dr., Pleasantview, Tenn., 37146.

The parties request this court to grant this stipulation and modify the defendant's conditions of release, to delete the travel restriction, allow him to travel to San Diego to complete his discharge from the Navy and then allow him to reside with his mother in Tennessee.

IT IS SO STIPULATED:

DATED: Mongmong, Guam, February 6, 2006.
